

A simple guide to trading the every single time frame

Using the Athena FX Method

Greatness doesn't come free

FIRSTLY THIS PDF WILL BE BROKEN INTO 2 CATEGORIES

THE FIRST PART WILL BE TRADING THIS STRATEGY ON A NAKED CHART WITH NO EMAS

JUST PURE PRICE ACTION

BUY AND SELL EXAMPLES HOW TO SET YOUR TRADES AND WHAT THEY LOOK LIKE FOLLOWED BY AROUND 36 EXAMPLES OF TRADES WE HAVE TAKEN

PART TWO

WILL BE WHAT THE CHART LOOKS LIKE WITH THE 14 AND 50 EMAS

ON DISPLAY

FOLLOWED BY TRADES WE HAVE TAKEN WITH EXAMPLES OF WHAT CHART LOOKS LIKE AND WHAT TO LOOK OUT FOR

WE HOPE YOU TAKE A LOT FROM THIS PDF AND HAVE GREAT SUCCESS WITH IT

EXCEPT THE PEOPLE WHO GOT IT FOR FREE YOU CAN GET FUCKED

AND ON BEHALF OF ANTH AND DAN

ENJOY THE MONEY

SIMPLICITY OF A BREAK AND RE TEST

This is a quick look at what we use below in our strategy

Firstly what do we use to pick our trades

1 WE LOOK LEFT ON THE CHART TO IDENTIFY A WICK LEVEL THAT HAS BEEN BROKEN IN EITHER DIRECTION

(THIS LEVEL MUST STAND ALONE AND BE CLEAR AS FUCK)

And by clear as fuck i mean even stevie wonder knows its a clear level break

2 WAIT FOR A PULLBACK

3 SET FIBONACCI

4 WAIT FOR WICK REJECTION OF BOTH THE LEVEL AND FIBONACCI

5 IF BOTH OF THESE ARE ACHIEVED ENTER THE TRADE

6 SET RISK REWARD TO 1 TO 2

7 Stop loss set slightly above or below wick rejection depending on buy or sell position

8 take profit

take profit at target don't be greedy and try and make more there's no need to and i will personally book a flight to come punch you in the face or send robbie to you if it hit targets and you complain cos you let it run and it shagged you .

Emas rejection can be used confluence as generally but i personally dont care when trading a clean chart

Emas will be covered in second section

But we will show the different forms these take with and without emas present screen

SELL EXAMPLE OF A TRADE

IN TOP RIGHT OF SCREEN YOU CAN SEE A DROP IN PRICE BELOW A CLEAR WICK TO THE LEVEL

INDICATING WE MAY HAVE A TRADE

NOW LETS SEE HOW IT DEVELOPS

NOW YOU CAN SEE WE HAVE IDENTIFIED OUR LEVEL TO THE LEFT

NOW WE CAN SEE A CLEAR BREAK OF THE LEVEL WE HAVE IDENTIFIED AND OUR RE TEST LEVEL HAS BEEN ESTABLISHED

NOTICE HOW THE LEVEL STANDS ALONE AND IS ALREADY OBVIOUS TO THE EYE

NOW WE KEEP AND EYE ON IT AND WAIT FOR A PULLBACK

IN THIS PIC YOU CAN SEE WE HAVE A CLEAR PULL BACK AND RE TEST OF OUR LEVEL

NOW WE LOOK FOR A FIB REJECTION

NOW WE SEE WE HAVE OUR FIB REJECTION

AND A LEVEL REJECTION

THIS TELL US WE NEED TO ENTER THE TRADE

FIRST WE MUST SET OUR RISK REWARD

HOW AND WHERE TO WE DO THIS

TURN PAGE

WHERE TO SET LOSS

STOP MUST BE SET SLIGHTLY ABOVE WICK THAT REJECTED THE FIB AND THE LEVEL

AND RISK ON TRADING VIEW SET TO 1 TO 2

THIS STYLE OF TRADING ALWAYS HITS THE TARGET IF YOU SET IT TO 1 TO 2 RATHER THAN A FIB LEVEL

AND WITH AMOUNT OF TRADING OPPORTUNITIES PER WEEK THIS IS MORE THAN ENOUGH

BELOW IS WHERE WE ENTER A TRADE AND STOP LOSS AND TARGET EXAMPLE

NOW AFTER ALL CONFLUENCES HAVE BEEN MET AND WE HAVE ENTERED THE TRADE
NOW WE WAIT FOR OUR TRADE TO MOVE TO OUR TARGET
BELOW IS WHAT HAPPENED IN THE TRADE

TARGET REACHED

Now on the next page we will look an example of a buy

BUY TRADE EXAMPLE

AGAIN CLEAR CHART ON THIS BUT WE SEE A PUSH UP ABOVE AN OBVIOUS LEVEL TO THE LEVEL AND A CLEAN PULLBACK

SO NOW WE MUST IDENTIFY OUR CLEAR LEVEL ON NEXT PAGE

NOW WE HAVE IDENTIFIED OUR CLEAR LEVEL THAT HAS BEEN BROKEN

WE SEE ITS NOW BEEN BROKEN AND RETESTED IT WITH A WICK REJECTION

LETS SET OUR FIB TO SEE IF IT FITS WITH OUR ANALYSIS SO FAR

NOW WE CAN SEE NOT ONLY HAS THE WICK RETESTED THE LEVEL WE IDENTIFIED AND THE FIB 0.23 WE NOW HAVE TRADE

NOW WE IDENTIFY OUR ENTRY STOP LOSS AND RISK REWARD ON NEXT PAGE

OUR ENTRY HAS IDENTIFIED

NOW WE PUT OUR STOP SLIGHTLY BELOW OUR WICK REJECTION

TARGET IS SETTING RISK REWARD TO 1 TO 2 AND EXITING AS SOON AS TARGET IS HIT

NOW LETS SEE HOW THE TRADE DEVELOPED

NOW WE CAN SEE TARGET WAS HIT WITH NO DRAWDOWN

BEAUTIFUL CLEAN SET UP AND STRAIGHT TO TARGET

SO WITH A CLEAR CHART THATS WHAT WE ARE LOOKING FOR

NOW I WILL ADD OUR TRADE EXAMPLES THAT FIT CRITERIA AND THEN WE WILL
BEGIN SECTION TWO

TRADE EXAMPLES

I WILL SPLIT THIS INTO TWO SECTIONS

SELLS AND BUYS TO MAKE IT EASIER TO STUDY FOR YOU GUYS

USDCAD 5m

Watchlist

Chart

Ideas

Talks

Profile

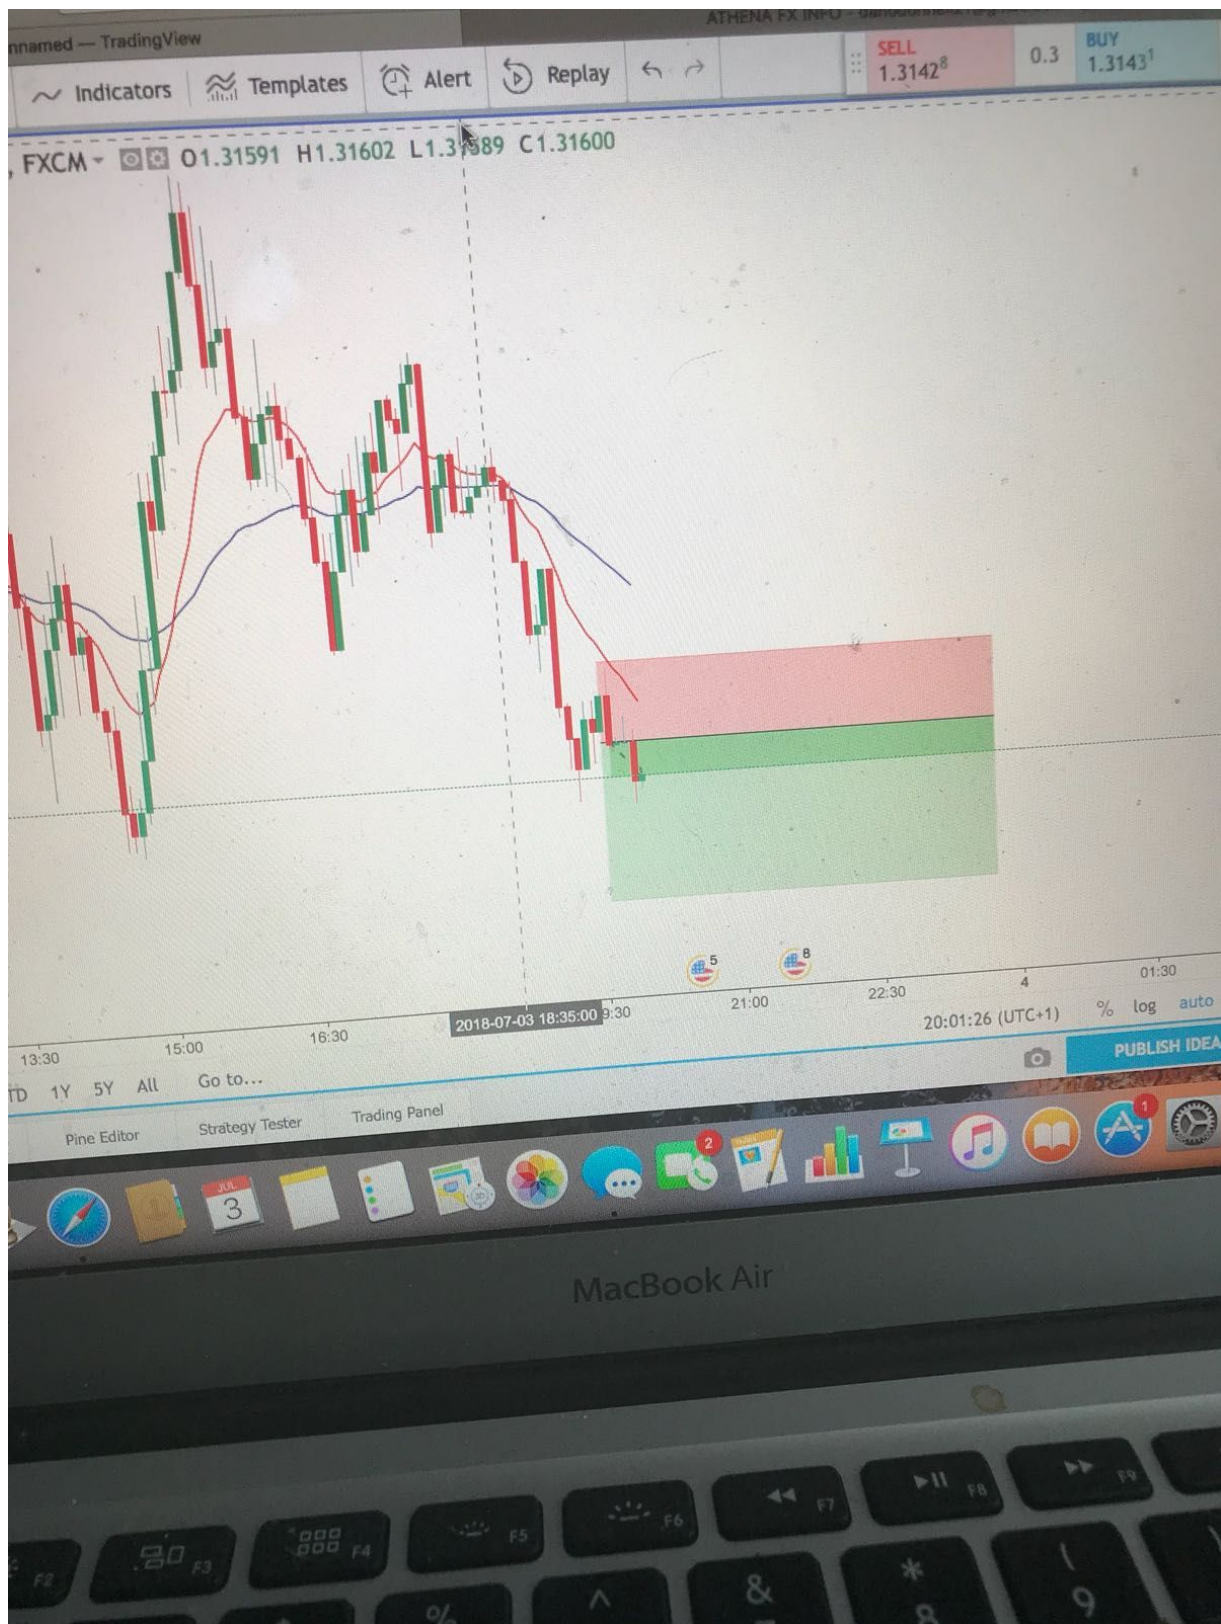

NOW LETS LOOK AT SOME BUY EXAMPLES

USDCAD 5m

PART TWO

EMAS

THIS WAY OF TRADING IS EXACTLY THE SAME BUT JUST AS AN ADDED CONFLUENCE TO OUR TRADE

IT WILL BE SPLIT INTO 2 SECTIONS

TRADING WITH THE 14 EMA

BUYS AND SELLS

TRADING THE 50 EMA

BUYS AND SELLS

IN EACH SECTION ILL GO OVER THE CONFLUENCE TO LOOK FOR AND WHY

NEXT PAGE FOR 14 EMA

\

TRADING THE 14 EMA

BUYS

THERE ARE TWO WAYS TO TRADE BUYS

CHANGE OF TREND AND CONTINUATION OF TREND

LETS FIRSTLY LOOK AT CHANGE OF TREND

SO WHEN LOOKING TO TRADE A BUY ON THE 14

WE FIRSTLY MAKE SURE ALL BASES ARE COVERED FROM PART 1

ONLY DIFFERENCE IS THESE TRADES COME AT THE CHANGE OF A TREND

SO LETS LOOK AT A BUY EXAMPLE

SO FIRSTLY THIS WE NOTICE WE ARE AT THE BOTTOM OF A TREND
THE CANDLES HAVE CAME BACK INSIDE THE 14 AND CLOSED ABOVE
SO NOW WE LOOK LEFT FOR A LEVEL
NOW WE CAN SEE THER IS A BREAK ABOVE A CLEAR LEVEL
NOW WE MUST PUT OUR LEVEL IN

NOW WE CAN SEE A LEVEL HAS BEEN BROKEN AND NOW IS RETESTING WITH A WICK
NOW WE MUST CHECK IF IT REJECTS FIB

NOW OUR LEVEL FIB HS BEEN REJECTED INSIDE THE EMA

ALL CONFLUENCES HAVE BEEN MET

TIME TO ENTER THE TRADE

AGAIN

STOP BELOW WICK

RISK SET TO 1 TO 2

LETS SEE HOW LOOKS

TRADE ENTERED

ALL CONFLUENCES MATE

LETS SEE WHAT HAPPENS

TARGET HOT VERY LITTLE DRAWDOWN AND JUST ANOTHER AREA TO CHECK IF YOU WANT EXTRA CONFLUENCE

ILL NOW ATTACH SOME MORE EXAMPLES FOR BUYS FOR 14 EMA

SELLS WITH 14 EMA

SIMILAR TO BUYS THE ONLY DIFFERENCE IS THE THE TREND IS CHANGING FROM AND UPWARDS TO DOWNWARDS TREND

SO ALL CONFLUENCES FROM SECTION 1

BUT NOW WE ARE LOOK FOR IT TO FINISH AND CLOSE UNDERNEATH 14 EMA

WE HAVE A CLEAR BREAK BELOW A NICE LEVEL

AND NOW A NICE PULLBACK

OUR LEVEL HAS BEEN IDENTIFIED

NOW WE MUST SET UP OUR FIB TO SEE IF IT REJECTS

FIB LEVEL REJECTED

BREAK AND RE TEST OF LEVEL

FINISH AND CLOSE UNDERNEATH 14 EMA

TRADE ENERED

STOP ABOVE WICK

RISK SET TO 1 TO 2

TARGET REACHED

TRADE CLOSED

ILL NOW ATTACH SOME MORE EXAMPLES OF THIS

YOU CAN TRADE BREAKS AND RE TESTS WITH 14 EMA

BUT THEY ARE THE SAME AS NORMAL BREAKS AND RETESTS FROM SECTION ONE SO I
WONT GO INTO DETAIL OF THEM ILL JUST SHOW SOME EXAMPLES

SO THATS A QUICK LOOK AT TREND BREAK AND RE TEST

NOW WE WILL MOVE ON TO TRADING 50 EMA

SECTION 2 TRADING THE 50 EMA

SAME RULES AS SECTION ONE THATS WHAT WE ARE LOOKING FOR

ONLY DIFFERENCE WE HAVE IS WE ARE CATCHING BUYS AND SELLS AND START OF
TREND AND CONTINUING THE TREND

SO THIS WILL BE SPLIT INTO

BUYS AND SELLS WITH CONTINUING THE TREND

BUYS AND SELLS CHANGE OF TREND

SO FIRST UP BUYS AND SELLS CONTINUING THE TREND

CONTINUING THE TREND

SO WHAT WE LOOK FOR FIRSTLY WITH THE 50 TO CONTINUE THE TREND IS THE CANDLES CROSSING ABOVE OR BELOW THE 50 AS A FAKE OUT AND COMING BACK INTO THE TREND

OR REJECTION THE 50

THEN BREAKING ABOVE OR BELOW A LEVEL

THEN WE LOOK FOR ALL CONFLUENCES FROM SECTION ONE

SO ILL WALK THROUGH BOTH BUYS AND SELLS DOING THIS

BUY TRADE

SO WE CAN SEE IT WAS IN AN UPTREND TRIED TO PUSH BELOW THE 50

COULDNT PUSH BELOW AND CONTINUED THE UPTREND AND BROKE ABOVE A PRICE LEVEL TO THE LEFT AS MARKED BELOW

NOW THE LEVEL IS MARKED OUT WE SET FIB AND WE HAVE A REJECTION OF LEVEL SO NOW WE SET UP OUR RISK REWARD

1 TO 2

AND ENTER THE TRADE

TRADE ENTERED

RISK REWARD SET AND NOW WE WAIT

TARGET HIT ON TRADE

NOW FOR SELL SET UP CONTINUATION

WE NOW HAVE OUR FIB REJECTION

AND LEVEL REJECTION

TIME TO ENTER TRADE WITH PROPER RISK REWARD AND STOP SET SAME AS ALWAYS

1 TO 2

AND STOP JUST ABOVE WICK

TRADE SET AND ENTERED

TARGET HIT PROFIT TAKEN

NOW FOR SOME EXAMPLES OF BUYS AND SELLS FOR CONTINUING THE TREND WITH
THE 50 EMA

NEXT PAGE

BUYS AND SELLS CHANGE OF TREND

BUYS AND SELLS WITH 50

CHANGE OF TREND

WHAT WE LOOK FOR

WE LOOK FOR ALL THE CONFLUENCES FROM SECTION 1

WE ARE LOOKING FOR A BREAK ABOVE THE 50 FOR BUYS

WE ARE LOOKING FOR A BREAK BELOW 50 FOR SELLS

SO LETS LOOK AT A BUY SET UP

BREAK THROUGH 50 EMA

BREAK THROUGH LEVEL TO LEFT

RE TEST OF LEVEL

NOW WE SETUP OF FIB

REJECTION OF FIB LEVEL

BREAK AND RETEST

NOW TO SET TRADE

SAME RULES FOR ENTRY

TARGET HIT

NOW FOR SELLS

BREAKDOWN

SAME AS ABOVE

JUST OPPOSITE WAY

NOW LETS LOOK AT A SELL TRADE

BREAK THROUGH OF THE 50

PULLBACK AND REJECTION OF CLEAR LEVEL

FIBONACCI AND LEVEL REJECTION

SET UP RISK REWARD

1 TO 2 RR

STOP LOSS ABOVE WICK

TRADE ENTERED

TRADE STRAIGHT TO TARGET

END OF PDF

THANKS FOR READING GUYS

WE ADDED THE EMA SECTION AS A CONFLUENCE FOR YOU GUYS AND IT WORKS
BUT ON THIS STRATEGY I PREFER PURE PRICE ACTION AND A CLEAR CHART

HOPE IT HELPS

AND IF IT DOESN'T YOUR A RETARD

AND ON BEHALF OF ANTH AND DAN

ENJOY THE MONEY AND THE FREEDOM

ATHENA FX
